

25570 R16 Duratrac set (400 USD)

Location **Michigan**
<https://www.genclassifieds.com/x-439606-z>

12/32" and 10/32" of tread on all 4 four, roughly have 1000 miles or less on them. Fit's all Ford Explorers thru 2008 and 4x4 Rangers, others as well. Excellent tires in the snow and dirt/mud. Only reason I'm getting rid of this set is that I upgraded to larger tires. Call/Text
