Hasbro Furby Boom Figure (Waves)

Brand New in Box

\$45 and it's yours

I can meet in Portland any Tuesday or Wednesday evening between 6-7pm to exchange or just about any day or time in OOB

Get ready, because Furby Boom is the beginning of an adventure. A New Generation Is Hatching on the free Furby Boom app, where you and your Furby Boom can collect digital eggs, hatch them, and raise a city of virtual Furby Furbblings. The Furby Boom experience combines real-world interactions with virtual play for a game that will keep you coming back for more. Your Furby Boom responds to you, changes personalities based on how you treat it, dances to your music, speaks Furbish and, more than anything, wants to connect with you.
