

C4 Transmission (150 USD)

Location **North Carolina**
<https://www.genclassifieds.com/x-439868-z>

C4 trasmission from a 1964 Falcon. Transmission was said to been rebuilt I drove the car it was in from Warrenton to Oxford shifted fine no slippage was good enough to burn a little rubber. It has a new flex plate and torque converter.Flex plate is new I bought it .Converter was in it . No leaks looks good .if interested I have a picture I can.
