We have a 12 week old puppy that we are looking to rehome. He is very sweet but we just don't have the time to give him that he deserves. Broski is a mutt (Lab, Australian Shepherd, Pyrenees, poodle, grey hound, collie) We have a crate, dog carrier, puppy food, collar, dog house, and leash that we would be willing to send with him that we spent about \$200 on so if you could reimburse us some of that, we would appreciate it. Our pup's name is Broski. We have given him 2 deworming treatments but no shots. He will be 12 weeks on.
