I have several hubcaps for sale, have been stored in building for awhile, just 1 of each, but it may be what you are looking for. I am not a salvage yard and therefore I don't know if it will fit your car, but you are welcome to come by and look. You can buy any amount. Don't ask if still available, I will send to spam folder. Send number and I will call you back. \$10 each, cash only, no.
