

MODEL WANTED Female Model w Nice Smile and NO NUDE

Location **Ohio**
<https://www.genclassifieds.com/x-440509-z>

I am looking for a model (female - college aged to early thirties, modeling experience is NOT required) that has a nice smile/teeth, and at least fairly well maintained feet for an upcoming photo and video shoot. I need someone that is explosively ticklish on their feet and will be okay with being tickled for about 10 minutes (not straight) during the shoot, to get some very reactionary shots. (I am looking for someone that will really laugh their head off/go wild)

The shoot is longer than 10 minutes, though not focused on the above part; I want to weed out those who wouldn't be interested immediately. Paying \$100 (40/hr)

This will be located near Mentor (Please be sure this is doable prior to responding)

This is NOT going to be at a house location.

Also, I occasionally see posts on here relating to the above. They are not from me.

Please provide me some photos of yourself if you are interested. (just everyday pictures of you wearing clothes.)

Thanks!
