

Free upscale apartment (washougal wa)

Location **Oregon**
<https://www.genclassifieds.com/x-440526-z>

Free expansive, furnished apartment comprising second floor of large home in Washougal on bluff overlooking Mt. Hood, Columbia River and east Portland in exchange for light caregiving. Prepare a few meals, wash dishes, take out garbage and accompany to an occasional doctor's appointment. You would have lots of time for hobbies or at-home work. Prefer that you have some income . I am 93 and use a walker because of age related arthritis. However, my mind is almost as sharp as when I graduated Phi Beta Kappa and CPA from the University of Washington 67 years ago. If you are a Clark County old timer you may already know something about me. I was the CFO at The Columbian for about 25 year. I helped Mary Granger found the Community Foundation in 1984. I served on the local hospital board for 13 years with First Citizen Bob Schaefer. I was a donor and board member of the local I Have A Dream program with recently deceased First Citizen Ed Lynch. I met last Friday with Jennifer Rhoads (President of Community Foundation) to settle on my 2015 grants to local charitable organizations, and review the administration of three scholarship funds that I set up for Columbian families, Clark College and UW Vancouver. Please provide detailed resume (and photo's to help me remember).
