

1995 ford E150 econoline Conversion van for parts (waterford)

Location **Wisconsin**
<https://www.genclassifieds.com/x-440868-z>

very good running low mile 5.8L 351w engine, bad auto trans 124k miles, doors and decent, basically rust free, nice front bumper, trailer hitch, good tires, 8.8 3.55 rear axle, nice interior, all leather seats, some wear, but still respectable, 4 captains chairs and a bench in the rear, pictures do make them look a little better then they really are

parting out whole van call or text with needs

- 5.8L 351 Windsor engine \$400 124K miles very great
