A room is opening up in a two bedroom apartment in a quiet neighborhood in Burlington's South End. It's a large, sunny, private room in the back of a medium sized apartment. The apartment has a main living room with an acoustic piano, small garden space in the back lawn and off street parking. A male roommate is preferable as the other room is a partial walk-through set up with bookcases. Available June 1st til September 1st then asking for a year commitment past that. The room is \$500 a month plus utilities. Let me know if you're interested. .
