

12 ac homesite

Location **Texas**
<https://www.genclassifieds.com/x-441418-z>

I have a 12 ac homesite in a nice restricted area perfect for a 1700 sqft home and a few horses! Sandy loam soil great for growing or grazing, scattered trees and pasture with coastal and bermuda grass. Easy access to Hwy, yet has the advantages of country living. VA loan approved!
