

Lost Large White Dog (MillcreekCanyon Rim)

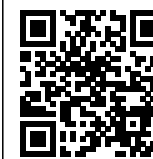

Location **Utah**
<https://www.genclassifieds.com/x-441606-z>

My dog ran away at 2am on Sunday May 17 and hasn't returned overnight.

He is really big, all white, has no tags/collar and answers to Kodi (ko-dee).

He ran away during a storm and I was outside looking for him all night.

Please call or text or email if you have any leads on where he could be. Thank!
