I have a pretty little four year old Heeler who needs a new home. She is a sweetheart, but we are having issues with our male dog being aggressive. She has a pancreatic deficiency, so she has to take tablets with her meals so that she can digest her food. Abby is house broken, very snugly, energetic, and knows basic commands. I am asking for a \$50 re-homing fee just to make sure that she is in good hands. Feel free to contact me.
