We have a very friendly, adorable purebred American Fuzzy Lop bunny. "Hershey" is a cute little broken chocolate girl. She turns 15 wks old the end of this month. She has been raised in our home with lots of TLC. We have handled her since day one and she is as sweet as they come, very tolerant of children. She will have her nails trimmed and will come with care sheets, sample of food, hay, and a toy. She is cuddly and loves children! She is extremely friendly and does not bite. Her adult weight should be 2.5 to 3 lbs. Rehoming fee of \$20. If you need a cage we have an older cage that can go with her for \$20. Thanks for!
