Let your kids watch and raise a pet from its earliest stages. Grow an amphibian kits are fun and educational projects and at the end you have grown your own pet!
I'm located in the west end, 23294 area.

The kit has 2 tadpoles in an environment suitable for the duration of their transformation. The translucent container provides you a view of the tadpoles entire cycle. It also, comes with food that will last through the full transition and \$5 off any future purchase of a pound of gut loaded feeder worms.
