I just need some one to personally train me.

I am an ex football player, but i have been lazy for years now. Help me get into shape and I will help you. As best as I can financially, or thru busniess training, automotive dealer training, or digital currency training, as I am an expert in those and many other fields.

I can have an amazing body. But I need your help to achive my potential. I can also help you reach your potential , financial or life coach.
