

Wanted Body amp Paint work for trade. (oakland east)

Location **California**
<https://www.genclassifieds.com/x-441899-z>

I have a 1993 Toyota 4x4 truck that needs some minor body work and a paint job. I am also looking for bumpers, preferrably aftermarket tube, and side steps for it. I have power tools, construction materials, coins, vintage sports cards, and many other items I can trade for part or all that I am looking for..
