This is a janitorial part time position at night so the hours are graveyard. My name is Daniel Perez and I am the supervisor with Paramount a nationally known janitorial company. At the moment we mainly service major grocery stores such as Raley's and Safeways. We are in charge of servicing the floors with a scrubber machine and a propane powered buffer, we then also service the bathrooms and breakroom of the store. All training is provided the most important quality we look for in a candidate is reliability and a detail oriented work ethic. Please feel free to contact me via text, call, or email to send in resumes and get the application process started. Thanks for your.
