Two mature red-eared slider turtles who need a new home. Great pets--easy to care for. Were purchased legally from a pet store over a year ago, so are definitely at least two years old. Both males. Turtles are available for free. If you are interested in purchasing our 50 gallon tank, along with two basking platforms, a heat lamp, a UV lamp, gravel, two filters, thermometer, heater, tank vacuum, turtle book, automatic timer, cleaning supplies, and all of our left-over food and tap water conditioner to have everything you need to make your turtles happy, we are selling everything listed above for \$100. A great value to house your new pets immediately. Or take the turtles alone for.
