

2000 Honda CRV (2500 USD)

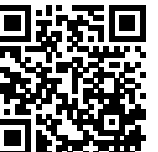

Location **Alaska**

This Honda has been a great car for our growing family. We finally need something bigger.

Tuned up for sale at Big O's Automotive and ready to go.

New timing belt, water pump, coolant, valve cover gasket, engine oil pan gasket, cabin air filter, front and rear wiper blades, fuel filter, ignition wire...

This is a great get around Alaska SUV with at least another 100,000 miles to!
