We have a 10 month old male red fire Boston terrier named Jack that is a very lovable and energetic dog who craves attention. We are moving here shortly and unfortunately cannot take him with. He is good with cats, small children including infants as we have a 1 yr old. He is a medium to small sized dog. There is a rehoming of 75 dollars as we want to ensure he goes to a good home Jack will come with a harness, collar, dog dishes, almost a full bag of food, a toy, treats, and a leash. If you are interested please text or email me.
