

Amel Tessera Corn Snakes and Double Het

Location **Florida**
<https://www.genclassifieds.com/x-442449-z>

I have 2 amazing Tessera Corn Snakes available. Parents are all from Don Soderburgs South Mountain Reptiles. He is world renowned for his Corn Snakes. The Tessera gene is 1 of the few Dominant genes in Corn Snakes and produces immediate Tessera results. No waiting to breed back offspring. I also included pictures of the Blood Red and Fluorescent moms as well as dad below.

Rehoming Fees Below

Tessera x Fluorescent

2013- Only 1 left AMEL Tessera Het Anery \$150
2013- Only 1 left Tessera Het Amel and Anery \$75
