

offering babysitting nights and weekends

Location **Delaware**
<https://www.genclassifieds.com/x-442687-z>

I am a mother of 3. My youngest is 5 and has health issues. I stay home to care for him. My children and i just moved into new home with plenty of room. I am in the process of renewing my cpr and first aid training. I am extremely trained with gtube/jtube meds and feeding pumps. So if your child has these needs i can handle it. Please feel free to contact me with any.
