

Drywall Services

Location **Iowa**
<https://www.genclassifieds.com/x-442726-z>

I have 8+ years working in construction. I mainly do Minor or major Drywall work such as hanging, finishing, and patching. If you are remodeling or just need a few touch ups or fixing, feel free to call me at and I will be glad to give you an estimate. My work is good and my prices are inexpensive (willing to negotiate within good reason)

Thanks,
