Please help find our missing girl Maggie!

We've checked shelters, police, etc., and have posted on FB missing pets pages, but so far nothing. Very much hoping some good Samaritan took her in, but we miss her terribly. She's about 15 years old, has curly hair and no tail. She's medium-sized and a bit overweight (maybe 30 lbs), and like many dogs her age, has bad teeth.

Maggie somehow managed to wander away from our home in the 8 Mile/Haggerty/Meadowbrook Rd. area about a week ago, and we haven't given up hope yet.

Thanks for reading.
