

2004 GTO trade for concrete work (greenfield)

Location **Indiana**
<https://www.genclassifieds.com/x-443092-z>

willing to trade my gto to have a floor poured and finished in my pole barn. i need stone, graded, drain installed, finished and cut. i plan to have a car lift in the future so i will need that adressed as well. i would also like stoops off both my garage doors and man doors. possibly with a porch on one corner connecting man door and overhead door. my barn is 32'x56'. follow the link below for the info on my car. thank you
