Dora
 Was a replacement for my daughter who moved away when she turned 18. Dora is 6yrs old English/American Bulldog 65lbs of pure love. She is very spoiled as i treated her like my daughter,she has her own room and twin size bed,some clothes wich she dont mind wearing. She loves(let me stress loves balls)not to fond of cats,hasn't been around many other dogs but whn she is can care less. Has no problem with kid but yet again not around them much.Very quiet dosnt bark loves to go for rides. So probably asking why gt rid of such a great friend. Well wife and i are going to be doung some traveling for the next few months,and whn we return will be doing tiny living (rving). I dont feel it being a comfortable fit for Dora. She just cant go to anybody she is a inside family member well taken care of. She has incurrence,chipped and is fixxed. I'm. asking \$100 rehoming fee so i know she's going to a good home she deserves it plus more this is a very special
