Location **Idaho** https://www.genclassifieds.com/x-443481-z

In good condition and ran great but just blew the head gasket and I'm not allowed to fix it in our apartment complex. Has the infamous velour headliner sag but has newer tires;) and clean/clear title. Asking \$500 firm local sale only. Call or text is best but if you have to email, I'll get back to you.
