Blue is as sweet as he is handsome. Per usual, this guy was found as a stray and ended up in a high kill shelter but because he is such a sweet, fun loving boy, he was rescued! Staff and volunteers kept promoting this sweetpea for a whole month because he was such a good boy, until finally a wonderful foster finally came though at the eleventh hour and now he is ready for adoption.

As you can see from his video, Blue is playful and likes to chase the tennis ball. He gets along with other dogs but no cats, he is way too much for them. We think he's a Weimaraner mix for sure, with what, we aren't sure. Possibly Boxer/Bulldog type of mix. He's tall and lanky but not a huge dog so who knows :)

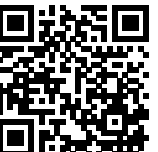

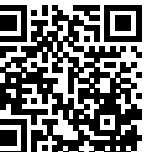

He is great with other dogs, good with kids, listens well and settles in well after a quick run or fetch. He is quiet but will let you know if someone comes to the door, crate/potty trained and very eager to please. come meet this handsome man anytime!

Age: 18 months or so (young but not a puppy).

Weight: 65lbs

Temperament: Gets along with dogs and people

Vetting: Spay/neutered, up-to-date on
