

# HORNS WANTED (United States)

Location **Maine**  
<https://www.genclassifieds.com/x-443526-z>

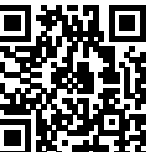

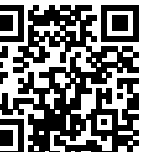

Brunswick, Maine's Greatest Ska Band, SONIC LIBIDO, is seeking any TRUMPET & TROMBONE & SAXOPHONE players interested in joining Brunswick's only ska band.

SONIC LIBIDO is an established local act, and play all over New England. Their first record is being released in the next couple months.

- SONIC LIBIDO needs someone who is:
- a horn player, sax, trumpet or trombone (and actually, if you play the keys, give them a ring too. That sounds cool)
  - lives in or around the Brunswick area (or further, if you wanna make the trek once a week. We can work something out)
  - able to do an occasional 3-10 day tour (as well as play out once or twice a month)
