

Looking for adult female Burmese Python

Location **North Carolina**
<https://www.genclassifieds.com/x-443728-z>

I'm looking for an adult female burm. I don't care about temperment or color/morph. It's just has to be healthy, female, and ready to breed. I will probe to verify sex before purchasing. Thanks! I have other animals such as various retic morphs and monitors available to trade as well..
