My landlord just gave me till the end of month to find dogs new homes. I hate it bitbi have no choice. I have 7 month old lab pit mix. His name is Otis and is super sweet with kids and other dogs. I have a 9 month old jack russel dashound mix named lacy. Sweet girl, loves people and dogs. And a 2 year old jack russel named Camry. All have had first round of shots but will need to visit vet within a year. A small rehommng fee of \$40 is being asked to insure a good.
