Hi I have a 2005 yamaha r6 with 23k on it. The bike is blue and has some stuff done to it like a gold 520 chain and sprocket kit, power commander, scorpion exhaust, pazzo shorty levers, double bubble windscreen, memory foam seat, tinted double bubble shield, steel braided lines, new Dunlop Q3 front and rear tires, hid kit, integrated tail lights. The bike just had all the fluids changed out and fully gone through. Looking to get a bigger bike so I no longer need this one. Looking for 4300 or best offer thanks for
