Hello future roommates!

My names Ashley, 23 years old, and I'll be moving back to Cleveland after a year and a half living in New Zealand. I'm hoping to find a room available in a house, or apartment in Late August-Early September. Furnished preferable, but can certainly work with unfurnished. I'm friendly, easygoing, and about as low maintenance as it gets. I generally keep my own space pretty tidy, but that goes 100% for shared areas. If you or someone you know might have something available, please feel free to get in contact. Looking forward to!
