Oregon

I would like to purchase two Ikea BENNO CD/DVD cases in the color white. Ikea no longer makes the BENNO series, it has been replaced by the GNEDBY.

link to GNEDBY that replaced BENNO: http://www.ikea.com/us/en/catalog/products/90277145/#/40277143

Please contact me if you have one or two you would like to sell.
