Do you send money abroad? I am developing a service to make this cheaper and easier and would love to speak with potential customers to test the idea. I will not ask for any confidential information and respondents will be paid \$20 at the conclusion of the 20 minute interview. Interviews will be conducted at the Hatch co-working space, but could also be scheduled at a location that is more convenient to you if required. I'm only looking to interview 10 people, so act fast.

Kind regards,
