I need a ride to Salt Lake City this weekend or next week and I have gas money! My name is Joey, I am 20, I bathe often and am very polite. I am friendly and can keep you company on the ride if you like to talk and also totally understand if talking isn't your thing and I can listen to my headphones in that case:) I do not smoke cigarettes, I don't need to pee often, I don't whine, I don't get carsick and I can fit all my luggage at my feet or on my lap if you are packed tight. I like many different kinds of music and love to expose myself to lots of different genres, you can pick the music or I can help DJ with my handy dandy cellphone. I cannot help drive. My favorite conversation topics are plants, psychology, clothing and art but I am down to talk about anything (within reason)! Feel free to call, text, or e-mail.
