25c coin operated Peppermint Patty vending machine. Works good and keys included. It made over \$40 just sitting on my kitchen counter. People couldn't resist walking by it without checking there pockets. \$50 cash or trade. I am interested in things for my mancave, other coin operated machines, I am a outdoors guy and interested in cars, bikes, quads, etc. all offers considered but please no electronics, dogs, or music instruments. Cash is always best..
