I need to clear out the shop and these tire will give someone a lot of service. First pair, 225/45r17 Continental pure contact all season that have less than 1000 miles \$125 for the pair. These are the first pictures. Next I have one 225/45r17 Continental Procontact that has 1/2 the tread left \$25. The next photos are 2 235/40r18 Continental Contiprocontact that have about 1/2 tread left \$25 a piece for.
