Hi, If you have a new/newer car, truck, and want to add USD to it for our waterfront 15.5 acres lets talk, will consider a pre 1972 classic also or will sell the land for \$160K.. The land has 800+ feet frontage on Cobscook Bay and 460+/- feet of road frontage this is prime land, with the real estate turning its going to greatly increase in value in my opinion. Thank you for looking.
