" Beware if hiring this guy, look at the cement work he did at my house. He is a real ass and just out to screw people. I received a plee from another person who picks up work on craigslist stating his name was Paul and he is losing work because of my ad. Because a persons name is Paul dosent mean it is this Paul. Ask for identification, if his name is Paul Poulin beware if hiring him. Also contact the RI Contractors registration board and report him as an unlicensed contractor, there are stiff fines and i intend on making his name well known by.
