

# Bio Plastic Harnesses (900, USD)

Location **Vermont**  
<https://www.genclassifieds.com/x-445466-z>

A beautiful set of bio-plastic harnesses that were bought brand new and only used a handful of times. They have all the bling and are very easy to clean. Comes complete with pigeon wing bridles and reins. They have been in a dry safe place. Also have other older harnesses if you are interested. Will sell all as a package deal! Give me a call. If no answer please leave a message and I will get back to.
