## Nanny needed for the summer (Laramie)

Location Wyoming https://www.genclassifieds.com/x-445712-z

My friend and I are looking for a nanny for our kids for the summer. He has 2 boys, ages 5 and 8 and I have one girl, age 8. We are looking for someone that is available full time (around 8 hours a day Mon-Fri). The schedule will vary a little for vacations and sick days though. The position will last at least through the end of July but probably until school starts.

We are looking for someone who has their own transportation and wants to take the kids to do fun things, like go swimming, to parks, play soccer with them and plan other activities. We would also prefer someone that could spend some time doing educational things with them as well.

We will pay \$1300.00/month for full time.

Email with experience and references if interested. We will set up meetings next.
