Dear musicians we are offering Mixing and Mastering:

MIXING- working with your tracks to craft the music to sound as you envisioned through creative manipulation and anything called for towards developing the atmosphere conducive to the emotion conveyed.

MASTERING- using the finest equipment and a discerning ear we fine-tune your music to ensure the best playability across all systems, achieving balance and levels without sacrificing integrity, and bringing a holistic quality and continuity from song to song.

All work is accomplished via ftp sites. A very simple and efficient process.

We work with home and studio recordings alike.

Allow for us to focus on all of the technical aspects of mixing and mastering freeing you to focus on the creative side of making music.

All of our work is guaranteed payments made only after you are satisfied with the results.

Very reasonable single song rates as well as generous discounts for combined services and full albums or ep's.

Feel free to inquire with any questions please include services required and project size so we may

provide you with a quote

rock, pop, z, hip hop, blues, soul, rock, jazz, funk, fusion, progressive, classical, modern, indie, folk, americana, latin, country, and avant-garde, experimental, and alternative, etc.
