Are you in need of a high quality professional mobile DJ to supply music and emcee services for your next event? We have been voted #1 local DJ by Arizona Foothills Magazine 2 years running! Our customer service and high quality of service is unmatched by anyone in the valley. We take great pride in what we do, which is providing the BEST service available. We have worked with clients such as Disney, In N Out Burger, Home Depot, Coca Cola, NFL for Super bowl 49 and we are contracted for SB50 in CA. We have been featured in magazine and TV as we have won many awards for our top notch services. When quality trumps all else, Elite Event Services is the one to call.

We have all of the extras available should you require them: Full LED dance floor lighting along with up to 16 led room up lights which are all DMX computer controlled from our DJ booth. We have QSC brand speakers (best available for mobile applications) and Shure brand wireless mics. We also have a full DJ booth with LED back lighting...something only 2-3 DJ's in the valley have. We spare no expenses when it comes to having some of the best equipment available. We want your event to not only sound good but look just as good. Pair up our top notch equipment with our stellar customer service and talent and you have yourself a night you wont forget. Don't settle for a DJ who presses play on his laptop and shows up with low quality equipment...get a professional DJ who mixes music live, can take requests on the fly and has an extensive music library featuring songs from most genres 40's to today. Please get in touch with us to discuss your next event. Include the date, time, location, if you need dance floor lighting and the type of event and we will get back to you (typically within 1 hour) with a quote for.
