1997 honda civic ex 169k miles. Bought this car 3 years ago and its been the most reliable amazing car ive ever had! I own 4 other cars and this one is taking up parking space.

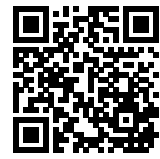

5 speed manual , power windows, sun roof, clean co title, vtec engine

New parts: new tranny fluid only the best AMS oil, new O2 sensor, distributor, spark plugs, front brakes, pcV valve, radiator hose,

Car is 20 years old so has small cosmetic issues inside and out but is still a very nice car!!

2500 no lowballs, cash in hand test drives only, if u dont like my price please feel free to find a different car.
