

Seeking Computer savvy personal assistant (ihss) in

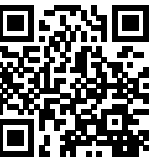

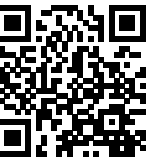

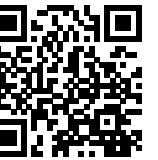

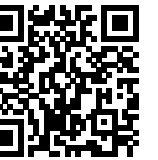

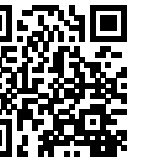

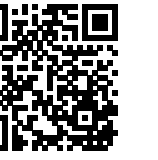

Location **California**
<https://www.genclassifieds.com/x-446657-z>

39-year-old with disabilities and impairments. I am seeking A flexible person to be my personal assistant / helper /in-home care provider. I have 144 hours at this time a month this is a part-time job with I need somebody that lives very close to my house. Someone that is able to work different hours and at time able to spend the night over. I do have a spare futon for you. I have a lot of papers piled up I have fallen behind failing my medical papers away as well as you Tilipi bills and other bills. Your duties would be to sweep and mop help me to file and follow through on things I am working on. I suffer from dramatic brain injury nerve damage back and find injuries andl also have anxiety and poster medic stress disorder. I would like to find a person with a lot of patients and who is able to be flexible and help me. The pay is through state of California if you are already registered that is awesome if you're not I can work with you and register you. Please be serious please have a drivers license and motor vehicle. Send me a email and include your phone number please please tell me a little bit about yourself and your background in in-home support or other type of work you've done. I'm okay with hot hiring a younger person. As long as you are at least 18 years old.

I have a variety of different things that I need assistance with please be able to work at a good pace. computer savvy is most definitely a plus but it is not a pre-requisite.

Able to start right away. Possible live-in position. Able to work different hours and then the night over at times . Part time job. Work available immediately.
