Work through Red Frog Events; an event production company known for its success pioneering the experiential entertainment industry and its award-winning company culture. Since 2007, the company has developed innovative brands including the Warrior Dash obstacle race series, Firefly Music Festival, and Big Barrel Country Music Festival.

Firefly Music Festival is a premier music experience set among lush wooded landscapes, featuring renowned headliners and emerging artists. Witness unforgettable performances and discover engaging attractions nestled around every turn that make Firefly a can't-miss summer tradition for music fans around the world.

Big Barrel Country Music Festival is a chance to kick back with friends and family for a rowdy summer weekend. Drop the tailgate, pop open a cold one, and enjoy three days of America's favorite country artists.

Who We're Looking For:

At Red Frog, we've found that genuine, positive, good-hearted people make great co-workers, so that's who we hire. As a team member, you'll play a key role in the execution of Firefly Festival and Big Barrel Country Music Festival.
