brown paint on the walls coming together with the off-white counter to make a hangout that's easy on the eye.

In the main-floor bathroom, all-white tiles match the porcelain of the commode, tub, and vanity counter but are balanced by the black-stained wood of the vanity and a pattern of black tiles on the floor. Built-in porcelain toothbrush and soap holders on the wall keep your vanity counter clear and clean, too.

The living room is large and warm, with tan walls and the polished hardwood floor offset by white trim, white shelving, and a clever white cut-out on the wall between living room and entryway. A large picture window lets in plenty of light, and the eat-in area of the kitchen opens into one corner.

The other 'inside' corner of the living room opens into a hallway which leads to all three bedrooms clad in the same rich hardwood.

In the basement, washer and dryer hookups can be found on either side of a huge double-basin utility sink. A large part of the basement is laid out with black and white vinyl tiles, and the basement opens into the kitchen and the side door, so it's the perfect place to store your less-used food.

Outside, the driveway widens past the house up to the aforementioned garage, and a small patio awaits the beginning of barbecue season.

Rent is \$895 per month and the security deposit required is 1 to 1 1/2 months depending on qualifications.

Viewing is by appointment only and you can move in immediately.
