We are a 3 piece thrash metal band looking for a professional vocalist. Not someone who "sings in the shower" or "My mom says I can sing". We want you yo have a great stage presence, be able to write lyrics for a song, and just be an all around front man. We are a thrash bad so we want your vocalist to be of the Metallica-Slayer-Anthraxesk but mixed with melodies and feeling. You don't have to go all Barry White but have some feeling and not scream the whole time. We are all in our late 20s and we have Pro gear. Male or female welcome. Please send us a sample of previous work if you have it. No deathcore shit pleaseeee. Also have
