Looking to rent out to a Zumba, dance, or yoga instructor.

- Nicely padded floor
- Great sound system
- Cheap negotiable price per hour
- Two nice clean bathrooms
- And if it matters at all the chairs are now padded instead of the steel you see in the pic above.

As Im only using the dojo when teaching classes from 4 pm to 7:50 pm you have very flexible hours depending on when you wish to teach. You will need to find the students but i will help you advertise if needed. Please call for more information or if you wish to come and see the space. Hope you have a great day.
